Certifications

- **Full-Stack Development**

Ideoversity, Arfa Kareem Tower LHR.

Completed a comprehensive **MERN** course from Ideoversity, which equipped me with the skills and knowledge necessary to develop full-stack web applications using **MongoDB, Express.js, React,** and **Node.js**. Throughout the course, I gained hands-on experience in building real-world applications and honed my expertise in front-end and back-end development, database management, and API integration. This certification has enabled me to excel in my career as a full-stack developer and stay up-to-date with the latest technologies and best practices in web development.

- **Computer Foundation**

Peak Solutions College, Lower Mall LHR.

Completed Computer Foundation Course from Peak Solutions College, which covered fundamental computer skills including Microsoft Office Suite **(MS Word, MS Excel, MS Powerpoint)** for document and data management.
